Subject: Czech Olympic Committee recognition of Czech Darts Organization

Dear friends and darts officials,

behalf of myself and Czech Darts Organization, I would like to announce very important news. Thanks to a long time, difficult, but ultimately successful negotiations is Czech Darts Organization a new proud and officially recognized partner of the Czech Olympic Committee.

Czech darts organization is now the only organization and association officially representing the sport of darts in the Czech Republic in relation to the Olympic Committee and movement.

We can use slogan „recognized by the Czech Olympic Committee“ now.

Best Regards

Jan Prikryl
